

Semifreddi

SemiFreddi

Frozen serve, directly from gelato display (-12-16°C), or ...

...it takes only **7 MINUTES** to thaw from freezer (-18-25°C)

Melts on tongue very quickly, offering the savor of the lightest dessert imaginable.

Easy to prepare in gelato parlor or in pastry shop: in cups, jars, or in silicon moulds.

Delicious taste combinations which brings variety in display cabinet!

TAGS: delato (desert + gelato), mouthwatering, delicious, refreshing, light, instagramable ;)

All season dessert for gelato shops, pastry and confectionery as well for Foodservice.
